

**DISCLOSURE STATEMENT
(ITB SECTION 1.3)**

1. MedMetrics is a § 501 (c) (4) corporation, with Public Sector Partners, Inc. as its sole member. Both entities share the same Board of Directors and Chief Executive Officer.
2. MedMetrics has no financial relationship with any pharmaceutical manufacturer.
3. MedMetrics is neither owned by nor strategically aligned with a pharmaceutical manufacturer.
4. As is shown by the enclosed work plan, MedMetrics assures the avoidance of any conflict or appearance of conflicts of interest.
5.
 - Massachusetts Senior Pharmacy Assistance Program
MedMetrics coordinated the preferred Medicare-Approved Drug Discount Card, and managed the coordination to insure that members maximized the new federal transitional assistance benefit. MedMetrics is currently assisting Massachusetts to define and implement a coordination of benefits program for Medicare-eligible members in 2006, when the Medicare Part D benefit becomes fully operational.
